**Vanderbilt University**—The following paper in regard to the ownership and control of Vanderbilt University was adopted by unanimous vote:

#### VANDERBILT UNIVERSITY.

Whereas, The General Conference which met at Asheville in May, 1910, formally instructed the Bishops of the Methodist Episcopal Church, South, in the following words: "The Bishops of the Church are hereby instructed to take whatever steps they may deem necessary to maintain the rights and claims of the Church," and

Whereas, In obedience to these instructions from the supreme authority in the Church, the Bishops, after the Board of Trust of Vanderbilt University had been wrested from the Church and her authority defied, successfully maintained a suit in the Chancery Court of Davidson County, Tennessee, against the Board of Trust to enforce the rights of the Church in and to Vanderbilt University, and

Whereas, Though said lawsuit was pending on appeal to the Supreme Court of Tennessee, the Executive Committee of the Board of Trust, representing the revolting majority of that body, through James H. Kirkland, Chancellor, member of the Board and apparently the dominating influence thereupon, did negotiate with Andrew Carnegie or his representatives or both for a donation of one million dollars to one of the departments of the University upon terms wholly dishonoring to the Church, and

Whereas, The minority of the Board of Trust, composed of E. B. Chappell, J. H. Young, R. W. Millsaps, and J. R. Pepper, repudiated the action of the Board in attempting to accept Mr. Carnegie's donation upon the conditions named and offered their formal protest, which was even refused a place upon the records of the Board, and

Whereas, The Bishops as Visitors, a character given them by the charter and confirmed to them by the decree of the Chancery Court, vetoed the act of the Board of Trust by which it attempted to accept Mr. Carnegie's donation, now, therefore, be it

Resolved, 1st, That the North Mississippi Conference unqualifiedly condemns the whole course of the Board of Trust from the beginning of its revolutionary career, and it specifically condemns the Kirkland-Carnegie transaction in every particular.

Resolved, 2nd, That we heartily endorse the course of the loyal minority of the Board of Trust and the veto of the Bishops, and that we assure these loyal servants of the Church, and all others who have led in the battle for the rights of the Church, of our cordial sympathy and earnest support, and that we give special emphasis to our approval of the course and conduct of Bishop E. E. Hoss in Vanderbilt matters, without whose foresight and leadership our interests in Vanderbilt University would probably have been hopelessly alienated.

(Signed) JNO. W. BOSWELL,  
J. D. BARBEE,  
W. S. LAGRONE,  
R. A. MEEK,

THOS. H. LIPSCOMB,  
PARHAM WILLIAMS,  
E. H. ROOK.

**Collection for Hospital**—On motion, the Conference resolved to devote the offering at the Thanksgiving Service to the Methodist Hospital Fund.

**Preaching**—The hour for preaching having arrived, the Conference took a brief recess before assembling to hear the sermon by Rev. T. W. Lewis, who preached from the text: "Righteousness exalteth a nation, but sin is a reproach to any people." At the close of the service, Bishop Atkins dismissed the Conference with the benediction.

### THIRD DAY—FRIDAY, NOVEMBER 28, 1913.

**Opening**—Conference opened at the appointed hour, Bishop Atkins in the chair. The devotional exercises were conducted by Dr. W. B. Palmore, who led the Conference in repeating the Shepherd Psalm, announced Hymn 538—

"How tedious and tasteless the hours,  
When Jesus no longer I see."

After this hymn was sung, Dr. Palmore led in prayer.

We, your committee appointed to investigate the charges against W. E. M. Brogan, find a trial necessary. We appoint J. H. Felts to prosecute the accused.

**Orphans' Home**—The Directors of the Mississippi Methodist Orphans' Home submitted the following report, which was read and adopted.

### ORPHANS' HOME.

We have had a good year in many respects. The health has been good, but we regret that we will have to report the death of one of our 16-year-old girls. The Home has been financially embarrassed all the year, yet it has not suffered.

We have had a splendid school with five young lady teachers, but no music teacher this year, for want of funds. We have had seven girls in college, and one in the Agricultural High School, the expenses of all these are paid by friends or relatives.

Four boys are in college working their way, and doing well.

We have morning and evening prayers, daily, with Epworth League and preaching service every Sunday.

Fifteen of the children have joined the church this year.

At the annual meeting of the Board last spring, the manager was authorized to buy a farm consisting of 200 acres, at a cost of \$7,000.00, about three miles northwest of the city of Jackson, and to solicit contributions for payment of said farm. It gives us great pleasure to state Mr. and Mrs. Wm. Warmack of Lodi, Yazoo County, Mississippi, made the Home a present of the purchase. We desire here to thank him and his good wife openly for the very liberal contribution, and we feel sure that a rich award awaits them in a brighter and better world beyond.

We now gladly report all buildings paid for, and the Home clear of debt.

**Report**—The Sunday School Board made its report, which was adopted as follows:

#### SUNDAY SCHOOLS.

Your Sunday School Board has become thoroughly convinced that the North Mississippi Conference must enter upon a more progressive and effective campaign for Sunday School work. To this end we ask the Conference to levy an assessment of \$2,400.00, said assessment to be apportioned to the various districts in proportion to their strength and the collections on same to be used by the Board in the employment of two Secretaries, Miss Elizabeth Kilpatrick to have charge of the Adult Bible Class work at a salary of \$1,200.00, and one of our preachers to be selected by the Board as Field Secretary.

While the Church has long considered the Sunday School a great field for service, yet we can hardly say that we have penetrated to the center of the field. To reap the whitened harvest is the goal of our work.

The Board desires to urge that Children's Day be observed in every Sunday School in the Conference, that we may make a real attempt to approximate our standards of excellence. We ask that all adult Bible classes and "teen-age" classes be registered with Dr. Chas. D. Bulla, Nashville, Tenn., and that increased emphasis be placed upon the cradle roll and elementary departments, as well as on graded instruction. We would further urge all teachers to attend the conferences to be held at Lake Junaluska.

Pastors are requested to place the assessment for Field Secretary upon their Sunday Schools, collect the amount and remit to R. H. B. Gladney, Treasurer, by the first of January, 1914.

We recommend the reappointment of Dr. J. W. Boswell as Assistant Sunday School Editor, which place he has ably filled for the past two years. We also recommend the appointment of V. C. Curtis as Field Secretary.

We desire to express our appreciation of the presence of our distinguished Bishop Atkins and to thank him for his inspiring address delivered on Thursday evening. We also thank Miss Kilpatrick and Mr. R. M. Weaver, Assistant Field Secretary, for their efficient labors and untiring interest.

We do earnestly appeal to the presiding elders, pastors, and all Christian workers for their united efforts to make the year 1914 a memorable one in the Sunday School work of the North Mississippi Conference.

No one having received a majority vote, a second ballot was taken for two alternates.

**Hospital**—The Commissioners of the Methodist Hospital made their report, which was adopted as follows, after an address by H. M. Ellis, Field Secretary:

#### METHODIST HOSPITAL.

At our annual meeting we found it desirable, in justice to that part of the Memphis Conference within the state of Kentucky, to change the name of the hospital by dropping the limiting term, "Tri-State." The name of the institution is now Methodist Hospital and we believe this simple and comprehensive name will better answer our purpose and fully satisfy all persons interested therein.

The work of creating interest and securing funds for this most needed institution has gone steadily forward. In the two and a half years we have been at work more than \$91,000.00 have been secured in signed subscriptions, about \$25,000.00 of which has been paid. Our Field Secretary, H. M. Ellis, has visited throughout the four participating Conferences as he has found opportunity, and almost everywhere the Christian people showed appreciation of the enterprise and readiness to aid with their means.

We have paid all but the last note on our lot, which fronts 230 feet on Union Ave., by 150 feet deep, and are now making an appeal to our subscribers that we may promptly meet this payment. Of course our friends will take care of this.

The Board adopted the plan of apportioning the necessary \$300,000.00 among the four annual Conferences, and then on down to districts and charges. This plan has met with general approval. Every district visited by any hospital representative has promptly, and without dissenting voice, accepted its apportionment, and appointed committees, or asked the Presiding Elder, to distribute this among its charges. The committees are also to plan for securing individual subscriptions to cover these amounts. This plan accords with the custom of our Church, and we believe it will better enable some of the charges to realize their responsibility for the success of the Methodist Hospital and to intelligently set about providing for their share. So far every charge visited by the Secretary where the pastor has shown a live interest in the cause, has overpaid its apportionment.

The Presiding Elders of the Memphis Conference have each agreed to make apportionments to the several charges, and then to outline and assist the Secretary and his helpers in a campaign of his district. We respectfully request and urge that this be done in all our co-operating conferences during the coming year, and that every effort be made to secure in that time the entire amount needed for this most important and neglected work.

The Sunday Schools everywhere appreciate the appropriateness of asking them to build the Children's Department. Where our Field Secretary has had the opportunity of presenting this cause to the Sunday Schools he has found no trouble in securing their co-operation and the pledge of the needed one dollar per member. The older pupils are ready to give their dollar, or more, to be paid

shortly, and, with the gleaner plan, whereby each little one who will help is made an agent for this Children's Department of the Methodist Hospital, the share of the primary department of the school is raised in cash within six weeks. Then each helping child is the happy wearer of a beautiful pin which is ever a reminder of this service for Christ and the little sufferers He so loves. We earnestly ask the pastors and Sunday School superintendents to enlist their schools in this important work. It will not only aid the Hospital cause, but will prove an inspiration to the school and a blessing to the individual worker who helps us thus. Our Secretary, Rev. H. M. Ellis, 2086 Union Ave., Memphis, Tenn., will gladly furnish you all details of the plan, the necessary gleaners, programs for a Sunday School Hospital Day and the medal pins for all little helpers. These will cost you nothing.

We have again re-elected Rev. H. M. Ellis Field Secretary, and we earnestly bespeak for him your confidence and hearty co-operation. If you will but give him this and the chance to see your people and to secure their financial support for this work, we feel sure our Southern Methodism will soon be supplied with an ample and now sadly needed Hospital.

The term of office of your commissioners, namely: Rev. J. W. Dorman, Rev. W. S. Lagrone, Mr. J. D. Barbee, Mr. J. R. Bingham and Mr. John H. Sherard, expires with this session of your Conference, and we respectfully request that you elect their successors.

Respectfully submitted,

JNO. H. SHERARD, Chairman,  
L. M. STRATTON, Secretary.

**Ballots**—The second ballot for clerical alternates resulted as follows: Votes cast 109, necessary to choice 55. W. W. Woollard received 60, J. C. Park 48, E. S. Lewis 39, W. L. Duren 15, J. W. Dorman 13, L. M. Lipscomb 11, others scattering. W. W. Woollard having received a majority of the votes cast was declared elected. A third ballot was taken for one clerical alternate.

**Re-elected**—On motion, the Conference re-elected the following Hospital Commissioners: J. W. Dorman, W. S. Lagrone, J. D. Barbee, J. R. Bingham, J. H. Sherard.

**Ballots**—The third ballot for clerical alternate was announced as follows: Number of votes cast 69, necessary to choice 35. J. C. Park received 41, E. S. Lewis 19, others scattering. J. C. Park, having received a majority of the votes cast, was declared elected alternate. The first ballot for two lay alternates was announced as follows: Votes cast 19, necessary to choice 10. Parham Williams received 16, W. E. Stokes and J. D. Barbee 5 each, others scattering. Parham Williams, having received a majority vote, was declared elected. A second ballot was taken for one alternate. This ballot was canvassed and no one was found to receive a majority and a third ballot was taken for one lay alternate, which resulted as follows: Votes cast 15, necessary to choice 8. J. D. Barbee received 8, F. W. Shell and W. E. Stokes 2 each, R. E. Wilburn 1. J. D. Barbee was declared elected, thus completing the delegation, as follows: Clerical—J. R. Countiss, R. A. Meek, H. S. Spragins, B. P. Jaco, delegates; with W. W. Woollard and J. C. Park, alternates. Lay—J. G. McGowen, J. H. Sherard, E. V. Hughston, G. J. Leftwich, delegates; with Parham Williams and J. D. Barbee, alternates.

**Petition**—The committee appointed to consider the recommendation from the Presbyterian Synod of Mississippi asking that this Conference join in asking the Legislature of the state to submit to the people an amendment to the Constitution of Mississippi repealing that provision which forbids bequests to church institutions,

made a report, directing the Conference Secretary to inform the legislature of our desire that this action be taken.

### MEMOIRS.

#### REV. G. H. JACOBS.

George Henry Jacobs, son of D. S. and Elizabeth Parham Jacobs, was born in Blount County, Alabama, November 2, 1849, and died in the city of Memphis, March 26, 1913. He was converted at New Hope church in McNairy County, Tennessee, July, 1867, under the ministry of Rev. M. L. Martin; was licensed to preach at Ebenezer church in Winston County, Mississippi, March 15, 1873, by Rev. A. C. Allen, then presiding elder of the Macon District, North Mississippi Conference. He was immediately employed to supply Plattsburg Circuit, where, though so young in the cause, he accomplished a work the fruits of which abide in that field to the present day.

Feeling the need of better equipment for his life work, at the close of this year, he entered school at Dowdville, Neshoba County, Mississippi, where he received a high school education. After this he spent some time in Arkansas, doing work as a local preacher. Coming back to Mississippi, he taught school and preached in the local ranks for several years. In 1876, he was married to Miss Mary

A. Spigener, who proved a self-sacrificing, helpful companion in all the trials and responsibilities of his coming itinerant life.

After twelve years as a useful and efficient local preacher, he was admitted on trial in the North Mississippi Conference at Kosciusko, Miss., December 2, 1885, and into full connection at Winona, Miss., November 25, 1887. He was ordained deacon by Bishop Paine at Ripley, Miss., July 7, 1875, and elder by Bishop Duncan at West Point, Miss., December 5, 1886. He served with great acceptability the following charges: Ripley and Blue Mountain, 1886; Ripley Circuit, 1887; Baldwyn, 1888; New Albany Circuit, 1889-1890; Olive Branch, 1891-1892; Mount Pleasant, 1893-1895; Arkabutla, 1896-1899; Wall Hill, 1900; Cockrum, 1901. Here his health failed completely. His brethren thought that his work was done. At the Conference at Winona the same year, he was granted a superannuate relation, no one suspecting the long period of suffering that was before him. During his twelve years' fight with a fatal malady that constantly gained ground, his faith never faltered, nor was he unemployed in his Master's work. He taught in Sunday schools and occasionally preached, some of these sermons being the best of his life.

He studied, believed and preached the doctrines of Christianity as taught in the word of God. A favorite theme with him was, "Let this mind be in you which was also in Christ Jesus." In this discourse was revealed the life that he lived. His ideal was high. The writer was his pastor when he was licensed to preach and also during the latter years of his life and can truly say that he was never associated with a purer and more heavenly minded man. He was pleasant and entertaining in the social circle, yet without that lightness or jesting which is of doubtful propriety.

About two weeks before he died, knowing that the time of his departure was at hand, he sent for his friend and brother in the Conference, Rev. T. H. Porter, to whom he spoke of his approaching decease, giving instructions for his burial as calmly as if preparing for a pleasant journey. These directions being finished, he exclaimed almost with a shout: O, how good the Lord has been to me, and how happy I am in the abiding witness of His spirit.

Servant of God, well done,  
Rest from thy loved employ.

#### REV. J. B. STONE.

Joseph Boyd Stone was born in Union District, S. C., December 28, 1831. He moved with his father to Alabama, where he was converted at the age of ten years, afterward moving to Mississippi. At the age of eighteen, he was a class leader at Antioch church, Monroe County. In his twentieth year, he became a licensed exhorter. He was licensed to preach in 1851, and, in 1856, admitted as a probationer in the Alabama Conference at Tuskegee, Bishop Pierce presiding.

Bro. Stone was twice married. In 1857, he was wedded to Miss Rebecca J. Mosely, a beautiful and excellent young lady. She died in 1864, leaving a daughter who became the wife of Mr. E. E. Buder of Columbus, Miss. His second marriage was to Miss Mary B. Koger, a daughter of the late Rev. T. J. Koger. She was a devout and cultured Christian. She preceded her husband by some years to the heavenly home, as we humbly trust. Five children blessed this union. One daughter died in childhood, the other four, with seven grandchildren, survive, viz.: Mr. J. K. Stone of St. Louis, Mrs. Dowden Rogers of Texas, Mrs. J. B. Small of Winona, Miss., and Mrs. John Kirk of Amory, Miss.

As a Christian minister, Bro. Stone was abundant in labors, faith-

ful and efficient. He shunned no toil and was ever true to his high and holy calling. His preaching was evangelistic and his sermons were delivered with such readiness and fluency of speech and such earnestness of spirit and manner as always caught and held the attention of his congregations. We cannot estimate the value nor measure the influence for good in such a ministry as was that of Bro. Stone. Multitudes of Christians were comforted and blessed, souls were saved, churches were edified and strengthened—but his record is on high. We cannot doubt that his faithful and earnest ministry, extending over so many years, has largely contributed to make the North Mississippi Conference what it is today.

The appointments he served show an important and extensive field of labor. He was for twenty-one years a presiding elder. His first appointment in the Alabama Conference was that of junior preacher on the Pickens Circuit. He was serving the Macon District in 1870 when the North Mississippi Conference was organized. After its organization, he served the following districts: Aberdeen, Corinth, Holly Springs, and Winona. Among other charges, he served the Brooksville and the Crawford Circuits, Tupelo and Okolona station, and Verona and Tupelo station. In 1863, he entered the Confederate Army as chaplain of the 43rd Mississippi Regiment and filled this position till the close of the war. In 1899-1900, he was on the Winona Circuit, his last pastoral charge. At the Conference of 1900, he was granted a superannuate relation on account of failing strength, and was so continued to the end of his life.

In making announcement of the death of Bro. Stone in the New Orleans Christian Advocate of June 19, 1913, Dr. R. A. Meek said: "The announcement of his death will touch with sadness many hearts and homes. He was for forty years one of the most prominent and active ministers in North Mississippi, filling with marked acceptability many of the leading appointments of his Conference. He was a model presiding elder. He was a man of deep piety, and both his public and private ministrations were helpful and strengthening. He had been on the superannuate list for a number of years; and his closing days were peaceful and radiant with light. He kept the faith and we doubt not that he has now obtained the promised crown."

#### REV. K. M. HARRISON.

The Rev. K. M. Harrison was born in the State of North Carolina, March 30, 1836. His parents moved to Mississippi when he was quite a small boy, and settled near Corinth, where he grew up and lived until he entered the itinerant ministry of the Methodist Episcopal Church, South, at 47 years of age. Bro. Harrison was converted at nine years of age and joined the M. E. Church, South.

He was married twice; his first marriage was to Miss Francis Elizabeth Bradberry of Corinth, Miss., on October 4, 1860. Of this union were born nine children, three of whom died while small; the others are: Kenneth of Columbus, Miss., and Leonidas of Alcorn County, Miss., and four daughters, Mrs. Suratt of Alcorn County, Miss., Mrs. W. E. Wiygul of Nettleton, Miss., Mrs. J. M. Wiygul of Nettleton, Miss., and Mrs. James Bynum of Brownwood, Texas.

He was married the second time, to Miss Mary Jane McKinnon, near Kossuth, Miss., on December 21, 1881, and of this union were born two children, a boy and a girl; the girl died in infancy; the son, Charles M. Harrison, lives in Amory, Miss.

Bro. Harrison had been in declining health since last December, but for a few weeks before he was stricken with his last illness he

seemed to improve. As it had been his habit to preach on the fifth Sundays since his superannuation, on the fourth Sunday in August he said, "If I continue to improve I shall preach next Sunday," but he was taken suddenly sick that afternoon and went steadily down until he died, September 2, 1913.

Bro. Harrison leaves his good wife and seven children to mourn his departure. I had known Bro. Harrison intimately for twenty-eight years. I had the honor to succeed him on the Corinth Circuit, where his citizenship for years had marked him as one of the leading citizens of Alcorn County. He represented his county in 1880 in the State Legislature, being elected over one of Alcorn County's most popular men.

He entered the North Mississippi Conference in 1883 and served the following charges: Burnt Mills, one year; Corinth Circuit, two years (and one year as a supply in 1882, making three years in all); Kossuth, two years—1886-1887; Booneville, four years—1889-1891; Columbus Circuit, three years—1892-1894; Batesville and Wesley, three years—1895-1897; Amory, four years—1898-1901. Here, at the close of his quadrennium, he took the superannuate relation, and had resided at Amory ever since.

He was recognized as one of the strong preachers of the Conference. He was an unusually clear, deep thinker, and was a student of books and men. His analysis of Scripture texts was always illuminating and thought-provoking; his sermons on the great doctrines of the Bible, such as regeneration, were great. No man who ever heard him on regeneration will forget it. His ministry was fruitful of great good to the Church. He was placed on the Committee of the Fourth Year at the time he finished his fourth year's course; this was quite a compliment to his ability. His age when he entered the Conference, coupled with some physical weakness, kept him from being assigned to some of the most responsible works of his Conference. No man ever served the people in the office of pastor more acceptably than did Bro. K. M. Harrison. He was one of the few men against whom I never heard an adverse criticism.

Here in his home town his name is as "ointment poured forth." He was honored, revered, and loved by all denominations, and even those who did not attend church had great respect for him. His sunny spirit, his warm brotherly greeting, with his unusual social powers, enabling him to meet all conditions to the ease and comfort of all, made him much loved by all classes.

May the rich blessings of our great Father above keep his loved ones in peace to the day of the reunion on high! He had served his generation well, and God called him home at the ripe age of 77 years. A good man has gone to his reward. Much fruit of righteousness will follow from his works.

W. M. YOUNG.

Missions The Board of Missions made the following report, which was read and adopted:

## MISSIONS.

There is every reason to believe that our Church is coming upon better times in her efforts to do her part in giving the gospel to the whole world. A growing missionary interest at home and encouraging progress abroad call for larger plans and a stronger faith. While our work has been greatly hindered in Mexico and Korea, our missionaries have held on their way, reporting both a substantial gain in membership and encouraging progress toward self-support. Our fields in Cuba, Brazil, China and Japan, are being diligently cultivated, and God, who "keepeth watch above His own," has greatly blessed our earnest toilers. During 1912, thirty new missionaries were sent out—eleven men and nineteen single women. This present year has been signalized by the opening of the Congo Mission in Central Africa, and the sending of three missionaries and their wives to aid in the redemption of the land for which Livingstone laid down his noble life, and of which Melville B. Cox declared after a few brief months of service: "Let a thousand fall rather than Africa be given up." Prospects are bright upon all our mission fields, signs of a better day of hope and faith are appearing, and we can see the cloud upon the distant horizon, though now but the size of a man's hand, yet it shall grow and increase till it shall fill the whole heavens. Judson, the centenary of whose going to Burma is being celebrated this year, was asked one day by a fellow-prisoner in a loathsome, filthy prison-house, "What do you think now about the prospects for the conversion of the heathen?" and he promptly replied, "They are as bright as the promises of God." And so they are today.

Early last summer there was had at Junaluska, North Carolina, a great missionary conference at which there was an attendance of 2,000 persons from every part of our great Church. Many notable addresses were made and the most intense enthusiasm prevailed. Measured by any standard, whether of the personnel of its membership, the reputation of its leading speakers, the enthusiasm which it created, or the offering made for missions, it was a truly great conference. It has set the pace for larger things throughout the Church. The offering amounted to \$152,000.00.

The General Board calls our attention to two matters especially, the need and wisdom of early collections, and the necessity for the larger circulation of the *Missionary Voice*, the only missionary publication of the Church. Up to September 1 of this year this Conference had paid to the General Board only \$1,650.50, making the interest account much larger than it otherwise would have been. From January 1 of each year the General Board is supposed to operate upon the money received on assessments for that year, but because so small a part of the assessments is paid in the early part of the year large sums have to be borrowed upon which interest is paid. The introduction of the every-member canvass, and weekly offerings have proven a great help in places where they have been tried.

The Woman's Missionary Council is making an earnest effort to increase the circulation of the *Missionary Voice*. They ask us to secure 400 new subscribers, 50 from each of our eight districts, and we, therefore, urge the presiding elders who shall serve these districts next year to secure through the pastors at least this number of new subscribers. There are now only 1,041 subscribers to the *Voice* within the bounds of our Conference.

This Board would urge the pastors to unremitting diligence in the raising of the missionary funds, the circulation of missionary books and periodicals, and the enlistment of the whole Church for the

extension of our Lord's kingdom throughout the earth. We would further urge upon the pastors the importance of early collections to safeguard us against possible failure in the payment of all claims in full. Quarterly payments to those serving mission charges is impossible if the pastors postpone their collections till the fall of the year.

We recommend the reappointment of Rev. John T. Lewis as Conference Missionary Secretary.

We endorse with all our hearts the words of our General Secretary when he recently declared: "The message of the hour from the regions beyond, from the awakened church at home, and, most of all, from above is: 'Speak unto the people, that they go forward.'"

**Epworth Leagues**—The Epworth League Board made the following report, which was read and adopted:

#### EPWORTH LEAGUES.

The Epworth League continues its great work in our Church, supplying in a large measure the needed assistance to thousands of our young people, helping them to be earnest, useful Christians. We are sorry to say that the North Mississippi Conference has not been as fertile soil for the league work as some sections of our country. It is not that the need does not exist, but that in a large measure its value has not been realized. The number of leagues and members remain about the same as last year.

A most helpful League Conference was held at Pontotoc on June 10-12 of this year. Also a very helpful ten days' conference or chautauqua was held in July at the Seashore Camp Ground. Many of our young people avail themselves of some of these conferences.

We have committed the Students Loan Fund to the "W. T. J. Sullivan Loan Fund" trustees. While we shall continue to encourage the building up of this loan fund, our energies will be directed especially to the Cuba Mission. A creditable subscription has already been made this year and will be paid by June. We trust our pastors will urge their league to pledge to this Cuba Special. All moneys collected for this Special will be remitted to Mr. V. H. Stephenson, Booneville, Miss. Last year the leagues of the Church raised \$31,000.00 for missions, of which \$10,000.00 was for Cuba. Our goal is not less than \$50,000.00 a year.

We again call attention that the first Sunday in May is League Anniversary Day. Programs may be had of Smith & Lamar. An offering should be made and one-half sent the Conference Treasurer.

The 10 per cent per capita assessment is necessary to defray expenses of the central office. Collect and send as early in year as possible.

The Havana League Conference has been postponed until January, 1915. An international League Conference will be held in Buffalo, N. Y., July 1-8, 1914. We hope many of our pastors and young people will take advantage of this opportunity to see what the American Methodist young people are doing.

We would urge the holding of league institutes in each district where possible.

The Epworth Era has never been better than now. In its new form and monthly visit it is pleasing its constituency very much. No leaguer can afford to be without it and all the young people of the Church should read it. It is clean, wholesome and helpful. Its price is in the reach of all. It stands easily abreast with the leading young people's magazines of America.

We insist that new leagues be organized where none exist. Not necessarily large numbers, but where a few earnest, aspiring young people may be brought together. We would commend the "One by One" campaign plan as described in a little tract furnished free by

Smith & Lamar as a most excellent plan to build up the membership. Our desire is a league in every charge.

In June of 1914 our Annual League Conference will be held in Columbus, Miss. We insist that all our churches send a representative from their young people to this conference.

J. H. HOLDER, Chairman.

**Reconsidered**—On motion, the Conference resolved to reconsider Education Report No. 1. The report was then withdrawn, and the following report from the Board of Education was read and adopted:

#### EDUCATION.

Your Board of Education notes with pleasure that the Biblical Department of Vanderbilt University, through the report of Dean W. F. Tillett to this body, affirms full loyalty to the Church; asserting that "To the Methodist Episcopal Church, South, the Biblical Department of Vanderbilt University owes its existence, and to teach its doctrines, maintain its polity and uphold its institutions is the one and only reason for its continued existence. Our department has no higher privilege or honor than to work for, to educate, and to inspire with lofty ideals of study, of service, and of sacrifice the young ministers of the Southern Methodist Church." Such words, coming especially at a time like this, are reassuring; and it is gratifying to know that the Vanderbilt Biblical Department stands thus loyal to Methodism and the mission with which the Church has entrusted it.

Your Board cannot concur in the suggestion coming to it through the General Board that you memorialize the General Conference to raise the educational requirements of candidates for admission on trial to that of admission into an A Grade college; though it would recommend that the several Conference examining boards be requested to raise the standard of conformity to the present requirements of the Discipline. We suggest also that presiding elders be urged to impress upon our undergraduates and young men coming up for admission on trial the importance and necessity of thorough preparation before presenting themselves. We are constrained to believe that our Conference courses of study are not by many taken seriously enough, or sufficiently well mastered.

In the unprecedented prosperity of Grenada College, under the able administration of President J. R. Countiss, your Board rejoices; and recognizes its pressing need of enlarged dormitory and other facilities for its young women.

Your Board is gratified also at the continued prosperity of Millsaps College, under the able presidency of Rev. A. F. Watkins, D.D., and recognizes its pressing need of dormitory facilities for its young men.

To meet the needs of these two institutions of our Conference and Church, your Board recommends that an educational campaign be at once inaugurated; an agent employed; and a minimum of \$60,000.00 raised; to be divided equally between the two institutions; the distribution of the funds for Millsaps College to be conditioned upon the raising of a like fund, equal in amount, for Millsaps College by the Mississippi Conference; the expenses of said agent to be borne jointly and equally by the two institutions represented. We recommend, further, that the selection of this agent and the administration of this campaign be placed in the hands of a commission of five, consisting of the Presidents of the two institutions, the Presidents of the Boards of Trustees of the two institutions, and a fifth to be selected by those thus appointed.

In case the Mississippi Conference fails to inaugurate plans toward the raising of a like fund for Millsaps College, the authorities of Grenada College shall have authority to proceed at once in a campaign for Grenada College.

Your Board is glad to report that the District Ministerial Student Aid movement, inaugurated a year ago, has been heartily endorsed throughout the Conference; and that three districts, the Columbus, the Winona, and the Greenville, are now assisting a young man each in Millsaps College. Some \$600.00 has been raised toward this end.

It recommends the continuance of this campaign during the Conference year approaching, and requests the reappointment of Rev. T. H. Lipscomb as Conference Secretary of Education.

The reappointment of J. C. Park, H. S. Spragins, and J. D. Barbee it announces, as an Executive Committee to serve in the interim of the Conference sessions.

J. G. McGowen the Board nominates as a member of the Board of Trustees of Grenada College; and recommends the re-election of Dr. J. W. Sharp, M. G. DuBard, W. S. Shipman, and J. H. Mitchell on said Board, their terms expiring with this Conference.

The Seashore Divinity School your Board still believes can be a source of great inspiration and instruction to the preachers of the Gulf States adjoining. It recommends an assessment of \$200.00 toward its support; with the distinct proviso that our commissioners be instructed to urge, in the meeting of the Joint Commission, the elimination in the future of the undergraduate courses, and the development of the chautauqua feature.

**Commissioners of Education**—In accordance with a recommendation contained in the first report of the Board of Education, the Conference, on motion, requested the Bishop to appoint a Commissioner of Education from each district of the Conference.

**Church Extension**—The Board of Church Extension made the following report, which was adopted:

#### CHURCH EXTENSION.

It is now conceded that the Church Extension Department, viewed from the standpoint of efficient and permanent results, is one of the most important agencies of the Church. In our own Conference, there has been a constantly growing interest, and we see most gratifying results. In thirty-one years, we have assisted 326 of the 561 churches, and 64 of the 150 parsonages, and yet we have 54 congregations without houses of worship and 12 pastoral charges without parsonages. There is a small increase in the assessment this year by the General Board, resulting from the growing necessity of the work. In other lines of business, this would be esteemed a mark of prosperity, why may it not be so here?

We have collected this year on assessments \$6,000.00, or about 80 per cent. It is of the greatest importance that the full assessment be collected if the Board is to meet one-third of the demands that are made upon us. There are pressing calls for more than three times the amount placed in our hands for distribution, and we find no little trouble in making appropriations where they are most needed and will do most good.

Our Conference Loan Fund amounts to \$1,102.07, and is growing; but we could use many thousands more to the greatest advantage. Many of the donations made under the present system, could be substituted by loans which would be returned again and again to help those in need. We recommend that sermons be preached upon the subject of church extension early in February.

We heartily commend our General Secretary, Dr. McMurry, in his faithful and efficient service rendered the Church, as set forth in the Hand Book of March 31, 1913. The General Board has, in thirty-one years, assisted 8,692 churches to the amount of \$3,545,153.72, and 2,261 parsonages to the amount of \$423,288.11, and still we have 2,777 congregations without houses of worship and 1,093 preachers without homes. The General Loan Fund has grown to more than half a million dollars, an increase of \$66,222.66, the largest gain in any one year of its history. The Board urges the necessity of emphasizing the Memorial and Annuity Loan Funds, and that preachers be on the lookout for persons who might be interested and send their names to Dr. W. F. McMurry.

We call special attention to the Sunday School Loan Fund, which is collected by means of the birthday jars, furnished free by Secretary upon request. The report shows that only six of these jars were placed in our Conference the past year, and only \$25.80 collected by this means. We have 494 schools, and if half of them would make a contribution, we should soon have a goodly sum. The fund at present amounts to \$4,562.81.

We are gratified to know that commendable progress is being made on the Representative Church in Washington City under the agency of Dr. Geo. S. Sexton. Cash and subscription now amount to \$306,000.00 and the building will be started as soon as a suitable lot can be secured.

We would call attention to the necessity of circulating Church Extension literature, consisting of maps, charts, etc. The Secretary will order a quantity sent to every pastor early in the year and we

ask that they distribute it among our people that they may know our great needs and the great things we are doing.

P. Leech, B. P. Patterson, J. R. Roberson, J. M. Huggin, D. L. Cogdell, H. C. Edmondson, and W. A. Clark.

**Ordinations**—Bishop Atkins certified ordinations on Sunday, November 30, furnishing answers 11, 13, 15, as follows:

**Traveling Deacons**—What traveling preachers are ordained deacons? Olin Ray, Amos Standifer Raper, Thomas Lee Houston, Ernest Dean Simpson, Millard Alexander Burns, William Osborn Wagoner, Elisha Griggsby Mohler, George Albert Baker, James Jerome Baird, Robert Isom Collins.

**American Bible Society**—The American Bible Society Board made the following report, which was read and adopted:

#### BIBLE SOCIETY.

The year 1912 was the ninety-eighth year in the history of the American Bible Society. During this time 98,268,707 copies of the Holy Scriptures have been circulated by the Society, 27,000 more Bibles having been put out in 1912 than in any previous year of the entire ninety-eight. In 1912, 1,201 colporters were employed in the home and foreign work of the Society, only 438 of these being used in the United States. The total circulation of Bibles last year by these colporters was 4,049,610 copies. Among the 2,500,000 Poles of the United States there were distributed last year 55,000 Bibles and among the Spanish 50,000. This is stated in recognition of the fact that the Bible is a great factor in solving the problem of assimilating the foreign element of the American population. The Germans were reached with 46,000 copies, the French with 25,000, the Russians with 24,000 and the Chinese with 12,500.

At the close of the nineteenth century, the Bible had been printed in 669 languages, and it has since been printed in 125 more. The American Bible Society prints a small book known as the Bible Record, which contains a vast deal of information and any preacher may secure this book by writing to The Bible House, Astor Place, New York City. The Society provides Bibles for the blind in twelve languages in Europe, nineteen languages in Asia, two in Africa, and two in America.

The North Mississippi Conference has paid for the support of the Society this year the sum of \$937.04 on an assessment of \$1,200.00. Many of the charges have paid the full amount asked, all of the charges in the Columbus and Greenville Districts having done this. The total sum raised is \$39.54 more than was raised last year.

The Rev. Geo. S. J. Brown of the Central Bible Agency at Cincinnati, was before the Board and greatly aided in the preparation

of this report by a helpful address and by answers to questions.

Whereas, We recognize the great value of the American Bible Society as essential in civilized countries and in advancing the work of missions both at home and abroad, and

Whereas, to close the Bible and decrease its circulation must retard the progress of civilization and prevent the triumph of the kingdom of Christ, therefore

Resolved, That our churches should be encouraged to support the Society and that our pastors should, when possible, secure the full assessment made for it.

S. A. BROWN, Treasurer,  
A. H. WILLIAMS, Secretary pro tem.

**Books and Periodicals**—The Committee on Books and Periodicals made the following report, which was read and adopted:

### BOOKS AND PERIODICALS.

Your Committee on Books and Periodicals notes with interest and satisfaction the continued prosperity of our Publishing House under the able management of Smith & Lamar, Agents; as shown by their exhibit for the year closing February 28, 1913, submitted to this body.

It shows that our total property valuation at Nashville, Dallas, and Richmond now amounts to \$1,308,610.43; transacting business to the extent of \$907,949.30, with an increase in business of \$38,172.29 over the year preceding. The total profits for the year amount to \$97,388.71, an increase of \$15,049.53.

We are glad to note that again \$10,000.00 has been appropriated by the House for the benefit of superannuated preachers and the widows and orphans of preachers.

The periodical publications issued from the House, the Christian Advocate, the Methodist Review, our Sunday School Literature, the Epworth Era, and the Missionary Voice, continue, both in form and substance, creditably to represent the great Church which sends them forth, and those to whose publication and editorial control they have been entrusted.

We would especially commend the editorial policy and work of Dr. T. N. Ivy, in connection with the Vanderbilt controversy; though we deplore the fact that both the Christian Advocate and the Epworth Era were published at a loss respectively of \$3,551.86 and \$2,293.89. The Methodist Review shows a profit for the year of \$647.89. Our Sunday School periodicals are more than self-supporting, and continue to increase in circulation from year to year.

We would urge upon our preachers more earnest attention to the matter of increasing the circulation of our general organ, the Christian Advocate, and of all the literature issued by our Church.

We note with pleasure that several books are announced as forthcoming, written by members of our own Conference: "When Sainthood Was in Flower," published by Sherman, French & Co., Boston, by Rev. H. G. Henderson, D.D.; and "The Articles of Religion—Supplemented, Annotated, and Explained," by Rev. W. S. Harrison, one of our ablest and most honored superannuates, Smith & Lamar, publishers.

Our Conference organ, the New Orleans Christian Advocate, its publisher, Mr. Chas. O. Chalmers, reports as in the most prosperous condition in its history. We are glad to note from the recent report of the Publishing Committee, that the income from the paper again justifies an increase in the salary of its able editor, Rev. R. A. Meek, D.D., enabling him to remain at his post without financial loss. Expressions of appreciation and commendation from every direc-

tion, both in patronizing conferences and throughout the Church, render unnecessary anything more than an allusion to these by your committee. We are proud of our Conference organ and of its editor. Reverence, courage, loyalty, unshaken faith, and aggressive evangelism characterize its utterances, and we believe the influence of this journal is most wholesome throughout the Church.

We recommend the reappointment of W. W. Woollard, H. S. Spragins, and J. D. Barbee as our Conference representatives on the Publishing Committee.

We are thankful that, in the good providence of God, Rev. G. W. Bachman has recovered from the painful accident that befell him at our last Conference, and that he has been able to render good service during the year. He reports as follows:

Sales North Mississippi Conference.....	\$1,708.98
Sales Mississippi Conference .....	707.52
Church periodicals .....	156.68

A total of .....\$2,573.18

We request that he be reappointed to this work; and urge upon all our preachers hearty co-operation with him in the important matter of the circulation of religious literature among our people.

J. A. HALL, Chairman,

THOS. H. LIPSCOMB, Secretary.

**Temperance**—The Committee on Temperance made the following report, which was read and adopted:

#### TEMPERANCE.

We congratulate our countrymen, and are grateful to Almighty God, for the place our state has taken as a pioneer for the suppression of the legalized sale of intoxicating liquors, and in the enforcement of the state-wide law. We are grateful for the aggressive advance made in the successful prosecution of offenders against the law. Quickened by the work of the Anti-Saloon League, and by the demands of good citizenship everywhere, justices of the peace, constables, municipal officers, sheriffs and marshals are beginning to understand that the Christian civilization of Mississippi will not stand for spineless non-enforcement of a statute, whose mandates mean so much to our country, both in material prosperity and in social up-lift.

We are glad to chronicle that from every quarter comes the reassuring news that bootleggers, whiskey drummers, newsboys and flagmen on the trains, train porters, express agents, town marshals, and deputy sheriffs, who have been either guilty of the sale of bad liquor, or of conniving at its illegalized usages, have been brought to justice and either imprisoned or turned out of office.

We resent the charge that open defiance of a state statute, connived at by officers who violate their oaths, can exist in Mississippi towns or cities. We extend a helping hand and words of encouragement to the law abiding citizenship of the state of Tennessee, who have resolved that open and defiant violation of law cannot longer exist in the city of Memphis, which is largely a Mississippi town. We are informed on good authority, that the illegal sale of whiskey has become so brazen and defiant in that border city, that drunken negroes and disorderly whites, intoxicated by its consumption, make life intolerable to those who attempt to leave the city at night for their homes in this state. The open defiance of law and order in Memphis is a blot on the Volunteer State and its malevolent reflex influences extend into the borders of Mississippi, for crime cannot be limited by state or municipal lines.

We record our delight that the movement for enforced prohibition has become a national one, and our vision is that the day will soon come when the curse of the ages, in legalized form, will be driven from the nation.

We trust we are not transcending the province of a religious body, when we make the following recommendations:

First—We memorialize our next Legislature, reciprocating the national sentiment that resulted in the passage of the Webb Law, to enact suitable and stringent statutes, making it effective in Mississippi. We do this recognizing that the unhindered interstate commerce in intoxicating drinks has been the plague of the nation. We especially call their attention to the activity of many express agents and representatives of transportation companies; either actively representing whiskey houses in the sale of whiskey or acting as agents for the buyers, in purchasing it. We recommend that it be made a misdemeanor for the agent of any express or transportation company, to aid or assist either the seller or the buyer in so much as writing his order for whiskey, and that such an act shall render the transportation company indictable as a sales-agent.

Second—We memorialize congress for the enactment of a law, prohibiting interstate carriers from the transportation of intoxicating liquors into dry territory, for sale or barter, and making illegal the carriage by mail into dry territory, of either newspapers or circulars advertising the sale of intoxicating drinks.

Third—We favor a more drastic statute by the next Legislature, enabling the governor to summarily remove from office, district, county, county district or municipal, officers who habitually fail to enforce the anti-liquor laws, and we enter our disapproval of the pardoning of violators of the liquor laws, when once convicted. We also recommend that for the collection of fines, penalties and privileges inflicted for the illegal sale of intoxicating liquors, the law be so amended that no property shall be exempt from seizure and sale.

Fourth—We respectfully memorialize the sovereign voter in the discharge of his lofty duty to see that only men are elected to office who will respect their oaths to such an extent that they will without fear or favor prosecute every violator of the whiskey laws, whether he be high or low, white or black, and that if any violation of the law be connived at by any officer, the offender be speedily turned out of office.

We further recommend that the supervisors, who act as jury commissioners, see that only moral and upright men, who believe in the enforcement of the liquor laws, are drawn in the jury boxes. The weak-kneed jury is the plague spot in the enforcement of the prohibition laws of Mississippi, as well as every other State.

Fifth—We have read with interest the memorial issued by the Conference of Chaplains of the Army and Navy, and of the National Guard of the Spanish-American and Civil Wars, held in Los Angeles, in connection with the national encampment of the Grand Army of the Republic, in which they recommend many reforms in the appointment and efficiency and usefulness of chaplains in the army and navy of the United States, and asking the enactment by our Congress of laws that will put those recommendations into force.

We endorse the work of the Anti-Saloon League, the Woman's Christian Temperance Union, and all of the faithful organizations established for and active in the freeing of our country from the use of intoxicating liquors, as a beverage, and freeing it altogether from the traffic, legal or illegal, in intoxicating drinks; a traffic which has been the bane of the centuries in retarding commercial growth, in producing poverty, and inflicting untold misery in the homes of

our land, a traffic, which the state and the nation cannot too quickly destroy.

**Section II.**

The Legislature is hereby memorialized to make it incumbent upon circuit judges to call speedily the attention of the grand juries to the law, rendering the owners of houses of ill-fame indictable for knowingly renting them for uses of prostitution or for wilfully maintaining them.

Resolved, That Geo. J. Leftwich be appointed by this Conference to represent it before the Legislature of the state in working for, and urging the enactment of such laws as is contemplated in the recommendations of this report.

J. H. BASS,	W. H. WILLIAMS,
H. C. MOREHEAD,	W. L. CAIN,
G. J. LEFTWICH,	C. L. LEMELL,
	Committee.

**Joint Board**—The Joint Board of Finance made its report, which was read and adopted as follows:

**FINANCE.**

The Joint Board of Finance believes a greater effort should be made to raise the full assessment for the Conference Claimants. The North Mississippi Conference does not pay an amount at all commensurate with the present cost of living, nor is it doing as much in this cause as sister Conferences are doing. We have added \$500.00 to the assessment of last year. We urge every preacher to raise these claims in full. We must not permit our superannuate preachers to suffer.

We recommend an assessment for the Superannuate Endowment Fund equal to one per cent. of the salary of pastor in each charge, as heretofore.

**District Conference Records**—The Committee on District Conference Records made the following report, which was read and adopted:

**DISTRICT RECORDS.**

Your committee has examined all District Conference records produced before it, and find them correctly and neatly kept, with the following exceptions or criticisms:

1st. The Aberdeen record of District Conference for this year is not dated in the printed heading upon each page.

2d. There is no official roll of officers and members of the Columbus District, for 1913, in the Columbus record.

3d. There is no marginal index in the records of the Holly Springs District, the Durant District, or the Winona District.

The Greenville District and Corinth District records are correct throughout. The Sardis District record was not before your committee.

Your committee recommends that the above criticisms be observed by our District Secretaries.

L. K. CARLTON, for the Committee.

**Spiritual Interests**—The Committee on Spiritual Interests made the following report, which was read and adopted:

**SPIRITUAL INTERESTS.**

The reports to this Conference indicate that our pastors are not lacking gifts of evangelism. While this is a matter for congratulation, we must remember that our work is in no sense complete, when we have made men members of the Church. They must be instructed unto every good word and work. They must be encouraged to strive constantly to lay hold on that for which Jesus Christ has laid hold on them. High ideals, intense devotion, and a strong will are necessary elements of a real and worthy life. The difficulties in the way of spiritual development are great. The lure of the world is strong. The temptation to sacrifice integrity for wealth, pleasure, and honor is as great in this as in any preceding generation. The warning of the apostle, that "Lust when it hath conceived bringeth forth sin, and sin when it finished bringeth forth death," has as much point in the twentieth century as it had in the first.

As a people our ideals are largely Christian, yet the Christianizing of Christendom, which it has been suggested, is the Church's greatest task, is a work of huge proportions. Many in the church mix wickedness and worship, making a vain effort to atone for injustice, oppression, and uncleanness by treading the Courts of the Temple. Our social life and ideals are diseased. So intimately are the country and city related by means of the daily newspaper and easy facilities of travel, that any social corruption in the large centers of population, has almost immediate effect upon the country. Vulgar habits of dress and social practice in New York City are imitated by the rural communities of Mississippi. Not only is the theater on a low plane, but the moving picture show, which is patronized by almost all of our people, is most often unclean. This institution has doubtless come to stay, but unless a more rigid censorship is exercised over it, or our children are taught to avoid it, we shall in another generation reap dire results.

We have heard much of the social message of the modern pulpit, and our preachers are striving in a laudable way to meet this demand, but we must not forget that, a preparation which will enable us to render an adequate service to the world, must have as a basis repentance, regeneration, faith, and such a God-consciousness as

will enable us to say, "It is no more I that live but Christ liveth in me."

We are pleased that while the head of the Correspondence School is making the needful plea for better intellectual preparation for the ministry, he also emphasizes the need for a deeper devotional life. The statement of Dr. Cunninggim that, 85 per cent of the candidates for the ministry come from homes where family prayer is daily held, is full of significance. We need no stronger argument for family worship. Unless we place a larger emphasis upon this matter than we are now doing, Methodism cannot continue to be the world force that it has ever been. A vision and a faith that will be sufficiently aggressive to save the world, and the development of the liberality of our people depend largely upon the prayer life of the Church.

We recognize as a helpful influence to this end, the reading of good books, and the religious papers. Not only is it impossible for our people to be intelligent Methodists if they do not read the Church papers, but they will hardly be praying Christians. However, our conviction is that discussions which are allowed, in any measure, to degenerate into personal controversies, do not tend to elevate the religious ideals, or deepen the spirituality of our people. We would respectfully ask our editors to exercise a rigid censorship over controversial articles, whether they come from high sources or low.

Our ministry ought as far as possible to reach all men. When we neglect the Negro, we do not only fail to represent properly our Master, but the appalling religious condition of the Negro is bound to have a most injurious effect upon the life of the white man. It is not sufficient to make meager appropriations for Negro education, but every pastor should make an earnest effort to seek out and influence, in a helpful way, every worthy Negro preacher.

Our attention has been called to the lack of facilities for worship among the convicts at the state penitentiaries, and we recommend that this Conference pass resolutions urging the state legislature to remedy this matter.

Realizing the need for such a school, we urge that this Conference memorialize the state legislature to pass a bill providing a reformatory school for juvenile criminals.

Resolved, That we urge our pastors to preach often upon the subjects Repentance, Faith, Regeneration, Righteousness, Prayer, and the Witness of the Spirit.

(Signed) W. H. MOUNGER, Chairman.

**Resolutions**—On motion, the Conference adopted the following resolutions submitted by the Committee on Spiritual Interests:

Resolved, That this Conference urges the legislature of the state of Mississippi to pass a bill providing at state expense chapels for worship at the Oakley and Parchman penitentiary farms, and books of a non-sectarian but religious nature, and also an assistant chaplain.

Resolved, That we respectfully urge the legislature of the state of Mississippi to establish a school for the reformation of juvenile criminals.

Resolved, That this Conference respectfully urges the legislature of the state of Mississippi to pass a law requiring the parties applying for a marriage license to produce certificate from a physician showing that they are free from any venereal disease, and to make it a misdemeanor for a physician to make a false statement in giving such certificate.

**Sabbath Observance**—The Committee on Sabbath Observance made the following report, which was read and adopted:

**SABBATH OBSERVANCE.**

We know that the Sabbath is of divine origin and that it was given for the best interest of mankind. By its observance, we show our devotion to God and our faith in the righteousness of His laws. We regret to note the ever-increasing desecration of His holy day brought about by the complex conditions of our civilization. In order that we may rear a citizenship that will have respect for this and other divine institutions, we urge our ministers and Sunday School superintendents to impress upon the pupils the necessity for the observance of this day in accordance with the divine purpose.

We further recommend that Christians everywhere put their stamp of disapproval upon the pernicious practice of "joy-riding," and other such diversions on the Sabbath, more especially during the hours of worship. Pleasure-seekers often pass and repass the church, distracting the attention of the congregation and interfering with the spirit of worship. We have noticed with much concern that even members of churches indulge in this practice, absenting both themselves and their children from the Sunday Schools and the preaching of the word. We ask our preachers to sound the trumpet against these and like desecrations and we are fully persuaded that example is worth a great deal more than precept. We further urge that offices and places of business be closed on the Sabbath. We are commanded to labor six days in the week and experience has taught that this is time enough for mankind to give to secular affairs.

(Signed) H. D. CHANEY, Chairman.
